

# **VoltVeera** Reliability in Every Connection

## About us

VoltVeera specializes in high-quality grounding, lightning protection, and transmission products. We have earned a reputation for excellence in the electrical engineering industry by delivering topper products, leveraging our expertise in casting, forging, extrusion, and stamping.

With our extensive experience and skilled engineering team, VoltVeera excels in the precise manufacturing of Copper, Bronze, Brass, Aluminum, and Steel. We proudly serve a diverse range of markets, including Power & Utility, Construction, Infrastructure, and Oil & Gas.

Our commitment to exceptional customer service and high-quality products has earned us a strong customer base across the USA. Our products are certified by leading global agencies, including UL, CSA, TUV, SGS, and SIRIM, and meet rigorous standards such as UL, IEC, ANSI, IEEE, and BS EN

At VoltVeera, our commitment to engineering innovation is supported by state-of-the-art manufacturing facilities, making us the preferred partner for leading OEMs, Utilities, and EPC contractors. We pride ourselves on delivering high-quality, cost-effective solutions tailored to meet specific needs, ensuring we remain at the forefront of the industry

## Distribution, Connectors & Transformer Components

### Products:

- Hotline Clamps
- Stirrups
- Terminal Pads
- Adapter Terminals
- Hinge Terminals
- Vise Clamps
- Parallel Vise Clamps
- Tank Connectors

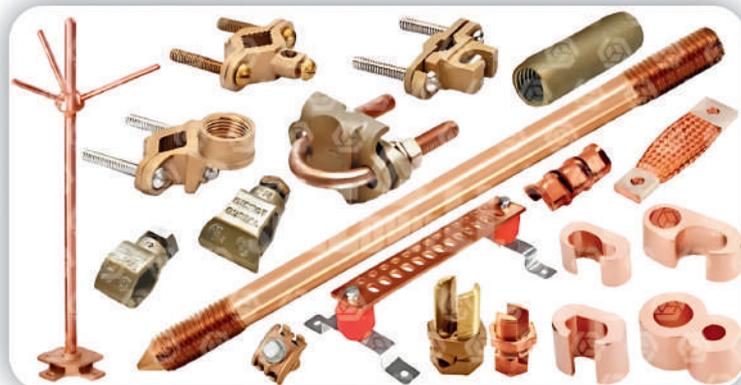

**Material:** Copper Alloys C-95600, C-95500, C-83600, C-84400, C-95200, C-83300  
and Aluminium alloys A356, A380, A12

**Process:** Gravity Casting, Sand and Shell Mould Castings, Forging and Plating

## Grounding & Lightning Protection

### Products:

- Air Terminals and accessories
- Down Conductor
- Fixtures
- Grounding Rods & Clamps
- Pipe Clamps
- Grounding Bars
- C-Taps
- Split Bolts
- Flexible Braids

**Material :** Copper Alloys C-64200, C-83600, C-95200, C-95600 Copper C-11000, C-14700, C-14500  
**Process :** Sand and Shell Mould Castings, Extrusion, Machining, Plating

## Terminal Lugs & Connectors

### Products:

- Short Barrel Lug
- Long Barrel Lug
- Pin Type Lug
- Butt Splices
- 90 Degree Lug
- Bi-Metallic Lug
- Mechanical Connectors
- Battery Terminals

**Material :** Copper C-11000, C-10100, C-12000, C-12200, Copper Alloy C-83300, C-85400, Aluminium Alloys A356, A380, LM25, A12  
**Process :** Casting, Extrusion, Stamping, Machining & Plating

## Panel Board Accessories

### Products:

- Neutral Bars
- Compression Terminals
- Insulated Terminals
- Mechanical Lugs.

**Material :** Copper C-11000, C-12200, Copper Alloys C-36000, C-38500  
Aluminium Alloys 6061-T6, 2024-T4, 6063  
**Process :** Extrusion, Stamping, Bending, Punching, Machining, Plating

## Precision Components

### Products:

- Anchors
- Fasteners
- Brass Cable Glands
- Brass Conduit Fittings
- Pipe Inserts
- Plumbing Fittings
- Gas Pipe Fittings
- Automobile Components

**Material:** Copper, Bronze, Brass, Aluminium, Mild Steel & Stainless Steel  
**Process:** Casting, Forging, Extrusion, Machining & Plating

## Stamping Components

### Products:

- Switchboard Components
- Transformer Parts
- Panel Board Accessories
- Solar Panel Accessories
- EV Components

**Material:** Copper, Bronze, Brass, Aluminium, Mild Steel & Stainless Steel  
**Process:** Stamping, Bending, Stretching, Deep Drawing, Extrusion, Punching, Hydroforming

## Cable Tie, Cleat and Clamping

### Products

- Stainless Steel - Ball Lock Uncoated
- Stainless Steel - Ladder Type Uncoated
- Stainless Steel - Releasable Uncoated
- Nylon Cable Ties
- Regular & High Tensile Bands
- Buckles
- Cable Clamping Tools
- SS Marker Tags & Carrier Strips
- PVC Marking Tube
- Heat Shrink Tubes
- Aluminium Single Bolt Cleat - Trefoil Type
- Aluminium Single Bolt Cable Cleat - Strap Type

**Material:** SS 316 & 304 grade Corrosion Resistant, Weather Resistant, Chemical Resistant, Non Magnetic, High Quality Virgin Nylon 6.6,
